Another Look

I receive your newsletter and find it interesting. Articles that I am interested in seeing in your newsletter include: What does a person need to believe in order to be a Catholic (Roman)? And what can a Catholic do to give himself the greatest amount of assurance of attaining heaven?

Thankyou for your interest in me. If you do not address these questions in your next newsletter, could you please send an answer to me soon. These are two questions that have me puzzled.

Thankyou
